Lead me from darkness of ignorance to the light of knowledge

Dear Round Square Colleagues,

Hope the second mail gave you a fair idea of the preparations underway for the Conference. We are working hard to make the Conference a memorable experience for you all.

This mail is primarily to facilitate the Registration process. There have been a few queries and we thought of addressing the issues raised.

We have already hosted two Power Point Presentations on the website, one for the 'Delegation Registration' and the other for 'Individual Registration' which tell you all how to register. These are self explanatory Power Point Presentations and we hope they'll address your doubts, if any.

I'll also like to clarify a few other points here pertaining to the Registration process.

1. All Spouses can take part in all the events of the Conference.
2. The Delegation ideally comprises six students and three adults (normally the School's RS Rep., Principal and a Board Member)
3. The spouses coming along with the school delegation would presumably be different from the nine members of the delegation mentioned above.
4. We categorically advice that the spouses, if any, coming along with the school delegation must be registered as part of the school delegation and not under the head 'Individual Registration' as mentioned in the second mail.
5. The 'Individual Registration' is meant only for the following and their spouses:
 - (i) Board of Directors
 - (ii) Executive
 - (iii) Regional Directors
 - (iv) Administration
 - (v) Secretariat
 - (vi) Chairs of Friends of Round Square
 - (vii) Honorary Members

Hope we have been able to assuage all doubts regarding the process of registration. However, in case of further clarifications, please feel free to get in touch with Mr. S. Sriram, Master in Charge-Registrations at: sriram@mayocollege.com (+919875012333)
