Dear Round Square Colleagues,

Greetings from Mayo College and Mayo College Girls' School!

It feels great to inform you all that eight schools and one individual have successfully registered.

However, it seems nineteen schools and four individuals haven't provided all mandatory details. Consequently these schools and individuals haven't been able to register.

Owing to requests from many schools **we have extended the deadline for registration till April 30, 2009.**

We expect that you all would cooperate in this regard. We can send you the invoice, for the conference fee and the letter of invitation for applying for the Indian Visa only after the registration is complete.

We seek special support and cooperation from all RS Reps in this regard. We request you (RS Reps) to share our sense of urgency with the entire delegation.

The fall out of not being able to meet the April 30, 2009 deadline would seriously impair our planning for the conference.

We would also advise you to plan your travel itinerary and finalize it as soon as possible. We shall open our website for access to fill in travel details once the registration process is complete.

Thanks for your cooperation.

With regards

Surinder Kumar
